## **VI. Committee Team Reports**

- **Clubhouse** – Julie, clubhouse manager, would like to resign. She is willing to stay and train someone. Carpet needs to be cleaned and bathrooms need updating. One AC unit needs to be repaired or replaced and hot water faucet needs to be fixed in ladies restroom. She powerwashed windows at the clubhouse when she opened the building. The first rental is May 21. The beds on the east side of the clubhouse need to be weeded. There was a loud popping noise when the heater in the back of the clubhouse was turned on. It could be from air building up in the pipes. Volunteers are needed to clean up playground at 1:00 (May 14).
- **Beach/Jetties/Boat Ramp** – There is a hole in the Zenith jetty and a crack on the jetty on Nymph. Parker or someone with a portable welder needs to be contacted to fix it. The drainage tubing on the Laurel beach has a leak. Dottie said she could look at it and Lynn volunteered to help. There is also a drain on the bluff at Nymph that needs to be raised. Dottie will call the county drain commissioner to get it fixed. Wood was purchased to repair boat ramp. A group of volunteers will be fixing the ramp this afternoon. (May 14) Volunteers welcome to help.
- **Bylaws/Enforcement** – Allan P. on Worth has volunteered to help Gladys with the revision of our bylaws. Gladys tried numerous times to contact committee member, Terry Gaw, to help. He wasn't available. Gladys will continue to work on these revisions.

**VII. Unfinished Business** – We need to find the property line for the placement of the stairs. We had contacted Sanilac Steel for another quote. After Sanilac Steel visited the site, they turned the job down and didn't even provide a quote. Parker quoted \$22,000 - \$25,000 for the job last year. Terry Gaw was supposed to follow up on the placement of the steps with Mr. Hill. (Minutes September 25) Since Terry was not at the meeting, we do not know if he followed up with Mr. Hill.

**VIII. New/Ongoing Business** – The clubhouse manager position will be posted on the website.

**IX. Adjournment** – Liz motioned to adjourn. Don seconded. Motion passed. (20222)
