IV. Member Topics – Several community members were in attendance to present issues.

- A member from Zenith Street expressed her concerns about the Zenith steps, inquiring about the potential for a steel staircase – instead of the present wooded ones.
 - Don responded that Gery and him had looked at replacing some of the railroad ties, but they can't be used because of creosote.
 - Don and Gery are looking at using timbers instead of railroad ties.
 - The member from Zenith feels very strongly that the Board should be doing more to get steel stairs installed at Zenith. Glady responded that after inquiring with Ted Parker, it was determined the amount of concrete in that area, would make it very difficult to put the same kind of steps there.
 - Glady also mentioned that the board does not have the funding for this project, however, we will look into replacing the Zenith steps
- This same member questioned why the Children's parade was named in Alyce Warren's honor - expressing disagreement with the decision.
 - Glady explained that this was had brought forward at the Annual Meeting, and it was voted on, and approved at that time. (This member had not attended the Annual meeting).

- She also stated her concerns about the number of benches along Lakeview and who is maintaining the benches.
- She also had issues with the memorial plaque on the Zenith bench.
